Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1.   (Currently Amended) A method for ordering a plurality of presentation instruments in a single order, comprising:

receiving at a host computer system a request from a purchaser to order the plurality of presentation instruments, wherein a presentation instrument comprises a physical device usable to settle a financial transaction;

sending one or more files that are executable by a computer of the purchaser to produce one or more corresponding display screens programmed to collect purchase information relating to the plurality of presentation instruments;

receiving at the host computer system the purchase information from the purchaser, wherein the purchase information comprises a recipient information file and wherein the purchase information comprises an order for a plurality of presentation instruments that comprise stored valuegift cards, at least some of which have different stored-values associated therewith; and

delivering the presentation instruments in accordance with the purchase information.

2.   (Canceled)

3.   (Original) The method of claim 1, wherein delivering the presentation instruments in accordance with the purchase information comprises delivering the presentation instruments to each of a plurality of recipients.
